1. INTRODUCTION

- 1.1 City Hospitals Sunderland NHS recognises the importance of equality and valuing diversity and is committed to ensuring that all staff are treated equitably regardless of their age, race (including nationality, ethnic or national origin), disability, sexual orientation, gender (including staff who have undergone gender re-assignment), marital, civil partnership or parental status, religion or belief, or lack of religion or belief. We believe as part of these principles that staff should receive equal pay for work of equal value.
- 1.2 This policy sets out how the Trust will comply with these requirements. It has been developed in line with guidance from NHS Employers, who in collaboration with the Equality and Human Rights Commission have developed an equal pay toolkit, recognising that the NHS organisations have a national pay structure and job evaluation scheme in place under the Agenda for Change agreement.

2 PURPOSE AND SCOPE

- 2.1 The Trust's objectives in relation to equal pay are to promote good practice by:-
 - Committing to the principle of equal pay for work of equal value for all employees;
 - Eliminating any unfair, unjust or unlawful practices that impact on pay;
 - Reward fairly the knowledge, skills and experience of all staff;
 - Reviewing other Trust policies (e.g. Recruitment and Selection) to ensure consistency with equal pay principles.
 - Working in partnership with the recognised Trade Unions to eliminate any identified bias in systems, processes or practices, e.g. by responding to grievances on equal pay as a priority;
 - Operating pay and reward systems that are transparent, based on objective criteria and free from bias;
 - Attracting and retaining staff who are committed to delivering excellent healthcare services by supporting equality of opportunity and valuing diversity within our workforce.
- 2.2 This policy applies to all employees, irrespective of employment status and length of service.

3 **DEFINITIONS**

- 3.1 For the purposes of this policy and in line with relevant legislation, 'Pay' is defined by Article 141 of the Treaty of Rome as, "The ordinary basic or minimum wage or salary and any other consideration, whether in cash or kind, which the worker receives directly or indirectly, in respect of his (or her) employment from his (or her) employer." Pay therefore includes pensions, any discretionary bonuses, payments and sick pay as well as other additional benefits.
- 3.2 'Like work' is defined as work, which is the same or broadly similar

- 3.3 'Work rated as equivalent', is defined as work, which has achieved the same or a similar number of points under a job evaluation scheme
- 3.4 'Work of equal value', is defined as work, which is of broadly equal value when compared under headings such as effort, skill and decisions.
- 3.5 The term 'equal terms' can cover all aspects of pay and benefits, including:
 - basic pay;
 - overtime rates:
 - · performance related benefits;
 - hours of work;
 - · access to pension schemes;
 - non-monetary terms;
 - annual leave entitlements.
